SPORTING MATTERS.

BOWELL EVIDENTLY AFTER LOTS OF MONEY. New York, Oct. 80.—Charles Rowell, the English pedestrian, states that he would accept the challenge of Fitzgerald for a six days go-as-you-please race, but wished the amount placed at \$1,000 a side, so as to give other pedestrians a chance to enter the race. He wished to walk in some other city than New York on account of the heavy expenses necessary in having the match take place at the Madisson Square Garden, and favored Agricultural Hall, Boston. He feels confident that he can beat 600 miles. He thinks Hazel he can beat 600 miles. He thinks Hazel and Norsmac will enter the contest, and probably more of the old favorites. He demands at least two or three months for

An Indian Murderer Escapes.

DEADWOON, Dak., Oct. 30.—Kan-Gi-Shami, better known as Crow Dog, under sentence of death in January, for the mur-der of Spotted Tail, the celebrated Sioux chief, escaped from custody last evening, and diligent search fails to discover his whereabouts. He had permission to visit town unattended, and failed to return. His case is now before the United States Supreme Court on appeal, on the ground that, having been tried by the Indian authorities and law and according to treaty, he was not amenable to the white man's law. It is also generally believed that the killing was justifiable, and that his conviction was secured through perjured Indians.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their at-tack as those affecting the throat and lungs : none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay. .

A Terrible Cough Cured. A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FARBROTHER."

Rockingham, Vt., July 15, 1882.

Croup. —A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

"I have used AYER'S CHERRY PECTORAL in my Croup. - A Mother's Tribute.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE." Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was eured by the use of AYER'S CHERRY FECTORAL.

JOSEPH WALDEN."

Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of Aven's Cherry Pectoral, believing as I do that but for its use I should long since have died from lung troubles.

Palestine, Texas, April 22, 1882.

No ease of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
